PLAYING TIPS

1. **Bring your toonie(s)!** Make sure you have your toonie(s) ready when you play at participating locations, instead of asking for change.
2. **Don't have a toonie?** No problem! Just make a purchase and help support our participating businesses.
3. **Do not forget your number.** Take one of our stickers; write your number on it and stick it on a card, or something else you always carry with you.
4. **Make your toonie count!** The draw is made from the registered numbers, not the toonies. If you want more than one chance to win, you must register and play multiple numbers. **Do not use the same number on multiple toonies.**
5. **Write clearly and neatly.** Write your number carefully on the sticker. If you don't think it's clear enough throw the sticker away and use a fresh one.

HOW TO PLAY

1. As a new player, you will drop in to one of our participating retailers and fill out a Registration form which includes your unique number. Only one person per form but you may register as many numbers as you wish.
2. Tear off (and keep) your copy of the form and deposit the Registration form in the RIVER GOLD BOX. You are now a registered player with a unique number, however, you must play your number in order to win any weekly draw
3. The cost to play is one toonie, weekly, for each of your numbers. For each toonie you must write your number very clearly on the yellow sticker provided to you. Attach the yellow sticker to your toonie then drop it in the RIVER GOLD box. That's all you need to do!
4. The cut-off time to play your number at our box locations will be closing time on Wednesdays with no exceptions. Weekly draws from the registered numbers will be made every Thursday before 9 p.m. The winner will be notified by telephone and/or email the same evening. The winner will also be announced at the participating location, on our website, and on Facebook.
5. Winners have 90 days from the date of the draw to claim their prize. *(Note: You can only win if you played your number.)* Prizes not claimed within 90 days will be added to the first jackpot following that 90-day period.
6. The draw's value is 50% of the total pot collected in a one week period. In the event a number is drawn that has not been played that draw, the pot is carried over and added to the following draw.
7. RIVER GOLD COMMUNITY GROUP reserves the right to use the winner's name for promotional purposes.

THE RULES

1. MUST be at least 19-years old to play.
2. Your number(s) will be entered into every lottery, but you can only win if your number (toonie) is played.
3. **ONLY ONE TOONIE PER NUMBER CAN BE PLAYED EACH WEEK.** There is no limit to the amount of numbers you can register for; you will need a separate toonie for each registered number.
4. Drum cleanout -- twice a year (January and July) there will be a drum cleanout. Any numbers that are inactive for a period of 6 months prior to a drum cleanout will be removed.
5. In the case of the death of a registrant the number will be void from the database and removed from the drum during the next drum cleanout. Numbers cannot be transferred to another person. In the event that the number is drawn prior to the drum cleanout, that number will be considered void, will be permanently removed from the drum, and another number will be drawn.
6. If you wish to discontinue, simply stop playing your number. After 6 months of inactivity your number will be removed from the drum during the next drum cleanout.
7. Write your number the sticker, put the sticker on your toonie, and place it in the River Gold box at any participating location for your chance to win.
8. Cut off time to play your number(s) will be closing time on Wednesday at our box locations (absolutely no exceptions).
9. The River Gold lottery draw will take place every Thursday before 9:00 pm at the local RBC branch, Exploits Valley Mall. A video of the draw will be posted to the River Gold Facebook page.
10. Draw results will be displayed at participating locations and publicized on Facebook and local media outlets.
11. If the number drawn was not played, the JACKPOT carries over to the next draw, making it a bigger JACKPOT!
12. To claim a jackpot prize you must present a valid photo ID with proof of age, upon request.
13. Winners have ninety (90) days from the date of the draw to claim their prize. Prizes not claimed within 90 days will be added to the first jackpot following that 90-day period.
14. RIVER GOLD COMMUNITY GROUP reserves the right to make changes upon consultation with Service NL.
15. Maximum prize payout will be less than \$99,000. If the maximum prize amount is reached we will continue to draw until there is a winning registered number.
16. The final draw for the licensed period will result in a winner. The date of the final draw will be posted a month prior to the final draw.
17. Jackpot Prize Payout is 50% Winners' Prize and 50% Three Supported Organizations Share.
